

Connect 108 Release Notes

Report created at: 22/11/2019 14:00:00

Notes / Special Instructions: N/A

This release contains the following items:

JIRA ID	ServiceNow Ref	Type	Title	Description
D10-1931	N/A	New Feature	Send a FHIR message to an endpoint: Audit all requests in-line with NHSD requirements	As part of sending a FHIR message from Connect, all requests need to be audited in line with NHS Digital requirements which includes timestamp, NHS number, user identifier and document GUID. Screenshot 1: FHIR Audit
D10-2049	N/A	Defect	Unauthenticated users not redirected to login page from filing details	When an unauthenticated sender user navigated directly to the Delivery/Filing Details page, the user should have been directed back to the login page. A small change has now been made so that the user will now be redirected as expected.
D10-2075	N/A	Bug	e-Discharge/MH-Discharge Long name GP Practice Address	When selecting a long address from the GP practice name field in the TOC document creation page, the field would not show the full address making it difficult to determine which practice to post too. If a practice with a long name is now selected the full address will now show allowing the user to select the correct practice. Screenshot 2: Long Address
D10-2114	N/A	Change	Restrict Number of API Consumers a customer can create	A change has now been made to restrict the number of API consumers a standard user can create (default = 1).

Screenshots/Test Evidence:

Screenshot 1 - FHIR Audit:

Screenshot 2 - Long Address:

The screenshot shows a web application interface for 'DocmanConnect'. The browser address bar indicates the URL is 'admin-dm10-connect.docmansandpl.com/Delivery/Discharge/CreateEDischarge'. The page has a blue header with navigation links: 'Capture', 'Document List', 'Document Counts', and 'Transfer of Care'. On the right of the header, there are links for 'pratik Shetty', 'Roles', and 'Help'. The main content area is divided into several sections:

- Gender:** A dropdown menu with 'Male' selected.
- GP Practice:** A section containing:
 - A search box labeled 'Search for GP'.
 - 'GP practice identifier *': A text input field containing 'FHRY'.
 - 'GP name': A text input field with the placeholder text 'Name of attending GP'.
- GP Practice Details:** A section containing:
 - 'GP Practice Name': A text input field containing 'NHS EAST RIDING OF YORKSHIRE CCG'.
 - 'GP Practice Address': A text input field containing 'HEALTH HOUSE, GRANGE PARK LANE, WILLERBY HULL, NORTH HUMBERSIDE'. This field is highlighted with a red rectangular border.
- Diagnosis:** A section containing:
 - 'Condition Identifier *': A dropdown menu.
 - 'Diagnosis Name *': A text input field.
 - 'Clinical Status *': A dropdown menu.
