Copyright © Advanced Computer Software Group Ltd 2023

This document contains confidential and / or proprietary information. The content must not be disclosed to third parties without the prior written approval of Advanced Computer Software Group Limited or one of its subsidiaries as appropriate (each referred to as “Advanced”). External recipients may only use the information contained in this document for the purposes of evaluation of the information and entering into discussions with Advanced and for no other purpose.

Whilst Advanced endeavours to ensure that the information in this document is correct and has been prepared in good faith, the information is subject to change and no representation or warranty is given as to the accuracy or completeness of the information. Advanced does not accept any responsibility or liability for errors or omissions or any liability arising out of its use by external recipients or other third parties.

No information set out or referred to in this document shall form the basis of any contract with an external recipient. Any external recipient requiring the provision of software and/or services shall be required to enter into an agreement with Advanced detailing the terms applicable to the supply of such software and/or services and acknowledging that it has not relied on or been induced to enter into such an agreement by any representation or warranty, save as expressly set out in such agreement.

The software (if any) described in this document is supplied under licence and may be used or copied only in accordance with the terms of such a licence. Issue of this document does not entitle an external recipient to access or use the software described or to be granted such a licence.

The development of Advanced software is continuous and the published information may not reflect the current status. Any particular release of the software may not contain all of the facilities described in this document and / or may contain facilities not described in this document.

Advanced Computer Software Group Limited is a company registered in England and Wales with registration number 05965280 whose registered office is at Ditton Park, Riding Court Road, Datchet, Berkshire. SL3 9LL.

A full list of its trading subsidiaries is available at www.oneadvanced.com/legal-privacy

What's New?

NEW

- Added queueing to RMS collections with UI visibility of which collections are queued.
- Enabled the 'ViewReferralReports' feature to be added to custom roles in RMS
- Made the 'Add comment' box bigger within patient documents.
- Improved patient matching when filing a document, now any dummy patient with an NHS number of 9999999999 will never be suggested as a match.

Fixes

- Fixed an issue where users were unable to action multiple documents using the Desktop App capture.
Case: 23076709
- Fixed an RMS issue where Folder Collection file extensions were case sensitive and, for example, would only recognise '.DOC' if set uppercase in Folder Collection Settings.
Case: 23052302
- Fixed an issue with renaming folders, if only changing capitalisation, not recognising the change and disallowing save.
Case: 21922407
- Fixed an issue in which completing Clinical Coding Tasks was removing Online Services functionality for open workflows.
Case: 23121166
- Fixed email functionality when trying to email from within Patient Documents > Actions > Email.
Case: 23110563
- Fixed an issue where searching Patients or Address Book using anything except "Forename, Surname or DOB" or "Name, DOB or NHS" will return 0 results.
Case: 23109917, 23107973
- Fixed an issue with searching Library documents, where 'There are no documents matching your filter' would display incorrectly.
Case: 22031857
