Advanced Computer Software Group Ltd.

# Disclaimer

Copyright © Advanced Computer Software Group Ltd 2023.

This document contains confidential and/or proprietary information. The content must not be disclosed to third parties without the prior written approval of Advanced Computer Software Group Limited or one of its subsidiaries as appropriate (each referred to as “Advanced”). External recipients may only use the information contained in this document for the purposes of evaluation of the information and entering into discussions with Advanced and for no other purpose.

Whilst Advanced endeavours to ensure that the information in this document is correct and has been prepared in good faith, the information is subject to change, and no representation or warranty is given as to the accuracy or completeness of the information. Advanced does not accept any responsibility or liability for errors or omissions or any liability arising out of its use by external recipients or other third parties.

No information set out or referred to in this document shall form the basis of any contract with an external recipient. Any external recipient requiring the provision of software and/or services shall be required to enter into an agreement with Advanced detailing the terms applicable to the supply of such software and/or services and acknowledging that it has not relied on or been induced to enter into such an agreement by any representation or warranty, save as expressly set out in such agreement.

The software (if any) described in this document is supplied under licence and may be used or copied only in accordance with the terms of such a licence. Issue of this document does not entitle an external recipient to access or use the software described or to be granted such a licence.

The development of Advanced software is continuous, and the published information may not reflect the current status. Any particular release of the software may not contain all of the facilities described in this document and/or may contain facilities not described in this document.

Advanced Computer Software Group Limited is a company registered in England and Wales with registration number 05965280 whose registered office is at The Mailbox, Wharfside Street, Birmingham, B1 1RF.

---

# Patch Fixes Since Release v218

## Deleted Documents showing in Emis Web via Docman Share Viewer

Case 23580499 | Internal reference D10-11492

### **Problem**

When a document has been deleted within DM10 and the do not share feature is set to false, the document is still viewable within Docman Share Viewer within EMIS Web.

## SCI Gateway Fixes for NSS

Internal reference D10-11324, D10-11341, D10-11384 & D10-11387

### **Problems**

- Notes not being returned from GET DocumentReference
- The subject parameter key needs to support the Patient.identifier modifier
- Event date is not returned
- Updating document notes not working. Notes updated to value "replace"

## D10 | 216 dts.docman10.com cert not being applied automatically

Case 23555343 | Internal reference D10-11270

### **Problem**

DTA change in version 216 caused issue where DTA certificate was not installed.

## Tech Updates

## DTA Certificate Renewal

Internal reference D10-11147

### **Description**

Annual renewal of licence for DTA Certificate, prior to expiry date of 24<sup>th</sup> April 2024.

## What's New?

## Docman AI Functionality – Feature Flag Switch

**Important Note:** All Docman AI functionality is controlled by a Feature Flag. It will also only be enabled for Customers where an agreement has been made for it to be activated.

Internal reference D10-11357

### **Description**

Feature flag to activate or deactivate future Docman AI functionality. This will be switched off on deployment.

## Scotland Autofiling

Internal reference D10-11487

### **Description**

Provide Autofiling for Scotland in Docman10, for documents which need to be workflowed or filed to the clinical system.

## Defect Fixes

### SCI Gateway Fixes for NSS

Internal reference D10-11189 & D10-11385

### **Problem**

- DocumentReference should match the external proxy NOT the API Gateway endpoint
- Increase maximum \_count value for DocumentReference searches with \_summary=true

### Install Licence for Cloud Enabler

Internal reference D10-11330 & 11405

### **Problem**

Replace trial licence for Cloud Enabler with full licence, and verify that it is valid after 31 days (trial period)

### Scotland Docman 10 Sites – Folder Structure

Internal reference D10-11471

### **Problem**

Set up folder structure for new Scotland sites on Docman 10

Sites migrating between Docman 7 and Docman 10 are not impacted.

### Scotland – Using Postcode for <Get Patients Call> has issue with encoded CHI Number

Internal reference D10-11215

### **Problem**

Issue with document reference call using | character in API, related to Postman

Kind Regards, The Docman GP Team
