Disclaimer

Copyright © OneAdvanced 2024.

This document contains confidential and / or proprietary information. The content must not be disclosed to third parties without the prior written approval of Advanced Computer Software Group Limited or one of its subsidiaries as appropriate (each referred to as “OneAdvanced”). External recipients may only use the information contained in this document for the purposes of evaluation of the information and entering into discussions with OneAdvanced and for no other purpose.

Whilst OneAdvanced endeavours to ensure that the information in this document is correct and has been prepared in good faith, the information is subject to change and no representation or warranty is given as to the accuracy or completeness of the information. OneAdvanced does not accept any responsibility or liability for errors or omissions or any liability arising out of its use by external recipients or other third parties.

No information set out or referred to in this document shall form the basis of any contract with an external recipient. Any external recipient requiring the provision of software and/or services shall be required to enter into an agreement with OneAdvanced detailing the terms applicable to the supply of such software and/or services and acknowledging that it has not relied on or been induced to enter into such an agreement by any representation or warranty, save as expressly set out in such agreement.

The software (if any) described in this document is supplied under licence and may be used or copied only in accordance with the terms of such a licence. Issue of this document does not entitle an external recipient to access or use the software described or to be granted such a licence.

The development of OneAdvanced software is continuous and the published information may not reflect the current status. Any particular release of the software may not contain all of the facilities described in this document and / or may contain facilities not described in this document.

Advanced Computer Software Group Limited is a company registered in England and Wales with registration number 05965280 whose registered office is at The Mailbox Level 3, 101 Wharfside Street, Birmingham, B1 1RF.

Patch Fix Since Release v222.6

Scotland SCI Gateway API Authenticator Fix

Internal references D10-12000

Problem: Resolve the API Authorisation issue which is blocking NSS using their credentials to use SCI Gateway – getting an Explicit Deny 401 response (for all Endpoints)

Important Note: If NSS create any new Integration Clients which would require access to the SCI Gateway, NSS must inform oneAdvanced at least one week before it is required to be available in Production of the Client ID - a GUID found with MyWorkPlace > Apps/Integrations/API Clients on the Dashboard the "Client Id" column

Kind Regards, The Docman GP Team
